

THE DESIGNERS

VITALS

- ▶ 34 programs available now
- ▶ Ask us about future production
- ▶ 24 minute run time

FEATURES

- ▶ Biography/documentary format
- ▶ Artistic, intimate feeling

THE DESIGNERS is Videofashion Network's most artistically crafted series, true biographies of the brilliant minds behind the designs. The focus here is on the designers themselves, highlighting both their personal as well as their professional accomplishments, their triumphs and their tragedies. Videofashion is able to provide an expansive historical overview of these fashion visionaries because the Videofashion Library contains exclusive footage of them throughout their prolific careers.
